UPON FURTHER REVIEW

PER CURIAM:

This case is again before our Court for further review after we initially returned it to The Judge Advocate General for remand to the convening authority for substitution of a corrected action that properly reflects the pretrial confinement credit awarded the appellant by the military judge. *United States v. Thompson*, ACM S30924 (A.F. Ct. Crim. App. 25 Aug 2006) (unpub. op.). On 13 October 2006, the convening authority completed a new action in compliance with our holding. This case came before this Court for further review with no additional assignments of error.

The approved findings and sentence are correct in law and fact, and no error prejudicial to the substantial rights of the appellant occurred. Article 66(c), UCMJ, 10 U.S.C. § 866(c); *United States v. Reed*, 54 M.J. 37, 41 (C.A.A.F. 2000). Accordingly, the approved findings and sentence are

AFFIRMED.
